Biography

Eddy and Della Mae Kennedy are graduates of the United Pentecostal Bible Institute of New Brunswick, Canada. For several years they worked under AIM appointment, laboring in Kenya, Tanzania, Mauritius and Botswana.

In 1996, they became fully appointed to the French speaking islands of Reunion, Mauritius, and Seychelles and were successful in establishing the first UPC of Reunion Island.

In 2006, the Kennedys moved to New Caledonia, a French territory in the Pacific Region which was an unevangelized target area for the UPCI at that time. There are currently more than 160 believers baptized in Jesus' name on these islands. Eddy is the Official Representative of the UPCI in New Caledonia and also serves as Area Coordinator for the South Pacific area.
