### **Biography**

Bob and Beth McFarland were appointed AIMers in 1996. Since arriving on the field in 1997, they have been appointed career missionaries and now stand in as field superintendent. They have registered a college with the government and are currently working to gain accreditation for this facility which acts as the doorway to many opportunities in the country. Over 200 people have been baptized through this ministry over the last ten years. We are now seeing the first fruits of the students who are currently fulfilling ministerial responsibilities. All the local churches are posting annual gains in membership. Sister McFarland is a song writer and recording artist. Brother McFarland has written articles and books on historical subjects and doctrinal positions.
