

Last year was a time of transition for us as we worked closely with, and traveled all around Africa with Brother and Sister Richardson. This helped prepare us to assume the full responsibilities of Regional Director of Africa on January 1st 2016. We thank God for the wise and visionary leadership of the Richardson's over the last 20 years. Our prayers are with them as they take some much needed rest, and enjoy the retirement they surely deserve.

We are thankful for all God has done in Africa, and are excited about what He is going to do as we launch our new theme "Africa Forward."

We are building on a solid foundation laid by many great men and women of God, as Africa is moving forward numerically, spiritually, and in maturity.

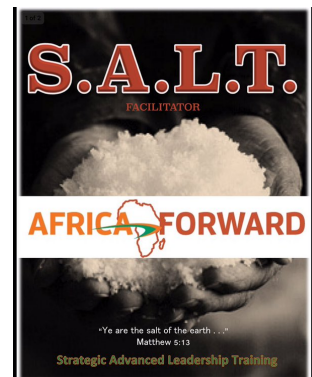

Multiplication is taking place through

training and evangelism. New preaching points are opening. New churches are being established. The gospel is being preached in nations that were previously without a witness as we plan and prepare for greater growth and revival in the future.

Bible schools continue to play a vital role in reaching entire nations, leadership development remains a priority, and recruiting new missionaries is ongoing. There has been an increase in the number of national churches maturing to the point of achieving the goal of nationalization. Africa is moving forward!

This year we are launching Strategic Advanced Leadership Training seminars throughout the Africa Region. S.A.L.T. consists of specialized training for national board level leaders. The purpose is to equip our national leaders for the forward thrust, in training, evangelism, administration and missions throughout Africa.

Together we will move AFRICA FORWARD!
