

REACHING OUT IN OUTREACH

Grace Fellowship outreach team

Grace Fellowship Christmas Banquet

FELLOWSHIPING WITH THE FAMILY OF GOD

It's a new year to celebrate Jesus with the whosoever... every age, every nationality, everyone, everywhere.

Bible study with our Colombian community. (Stephanie, Beatriz, Emmily, Dana)

Sis. Beatriz, pictured above, heard this beautiful gospel when she attended Grace Fellowship after receiving a flyer from the outreach team. She is now receiving a weekly bible study and is excited to call Grace Fellowship home. One of our young people, Sis. Dana, has been instrumental in making this possible as she interprets for AIMer Sis. Stephanie Penn (on left) as she teaches.

Children's ministry Presentation

Brandon and Mollie Borders Family have finally arrived in NZ after deputation. They are welcomed with open arms but we **need your focused prayer** regarding their visa situation. Please join us this month in prayer & fasting.

Sharing at the nursing home

Sharing the Love of Jesus Brings Smiles

We were honored to sing, share testimonies, hugs and scripture in the local nursing home bringing cheer and hope to some so often forgotten. Here we are with Sis. Teresa who is suffering from stroke but still with a heart strong for God.

THANK YOU PARTNERS FOR GIVING THAT OTHERS MIGHT KNOW!
