Live Services

We are so thankful that restrictions seem to be lifting in our nation. On May 9, 2021, the church in Prague was able to have a limited in person service. We are believing that it will not be much longer until we can return to full service.

Revival!

So thankful that both of our children, Grant and Pierce, were filled with the Holy Ghost and baptized in Jesus' name! What a wonderful thing to know your children have committed their lives to God!
