Meetings In Lux

We are focusing on starting Small Groups in various places with an emphasis on Bible study & discipleship.

Greetings from Luxembourg In the Name of Jesus!

God is continuing to answer prayers and open doors of opportunity in Luxembourg. Plowing and planting are two aspects of a harvest that are unappealing to many people but are essential to the process of actually having a harvest. I want to encourage someone - the Bible says, *“And let us not be weary in well doing: for **in due season** we shall reap, if we faint not”* (Gal. 6:9). You WILL have your season! The miracle is in the seed. The seed is the word of God (Luke 8:11). Keep praying, keep preaching, keep declaring what the Lord puts in your spirit! Keep planting, keep broadcasting, and, according to His Word, it will multiply and bring forth much fruit.

The Gospel in Lux

Toma (pictured to the right) was with his son and in a difficult situation - no food or water, and no place to sleep. We took up a collection for them and were able to bless them with a container of food and essentials. He could barely walk when I first saw him. I prayed for his feet and deformed leg and he was walking fine after the Lord touched him. I met another man, named Brian (pictured to the right), who was living alone, separated from his wife and thinking about suicide. He said he didn't believe in Jesus. When I prayed for him, the depression and spirit of suicide left him and he started smiling. The next thing he said was, "So tell me about Jesus."

Luxembourg & Austria

Kinsey is two (and a half) now and she can quote Psalm 23. She knows The LORD is our Shepherd. She is also learning to pray. She is my little prayer partner and will come to me and put her hands on me and say, "In the name of Jesus..." That is how it ALL happens...IN THE NAME OF JESUS!

We continue to walk through the cities and towns of this country praying for the lost and ministering to those we meet. I enjoy coming together in a church service with other believers, but there is something special and apostolic about going into our communities and letting the Holy Ghost lead us to the needs as we participate with Him. Whether it is praying, prophesying, helping, healing or preaching - the Spirit knows what is needed and who needs it. We are here to speak the words of life IN THE NAME OF JESUS!

Jeremy & Khrista Favors

I was honored to participate in CONNECT 21 - Lux / Austria - via Zoom. God called His people to surrender everything in preparation for what He is going to do in and with His Church!
