Revival in the established churches!

We visited the new areas and confirmed the doctrine in the churches of each area. These people knew so very little of the Bible and less of the God of the Bible.

Some of my trained ministers ventured into un-evangelized areas opening new preaching points.

Brother Paul West from Michigan came and ministered to open doors in Siem Reap and in Svay Rieng [Viet Nam border]

Political disturbances are trying to hinder the Church but we keep marching onward!

I am looking for Aimers in Cambodia. This nation is growing in population and the interest in which God is the real God is at an all time high. If you are interested in a 2-month adventure into a world of evangelism, please contact us. This is the place to be!

Thank you!
