

Terry & Cindy McFarland

Deputation 2020

Ireland

And still...GOD is in control

Seven weeks into this deputation and lockdown happened due to COVID-19. Thankful for a God who was with us before the lockdown and has remained with us as deputation life has changed for this season. From in person services to online services we have been blessed by all the wonderful church families who have been so supportive during this time.

Thank You & Lord Bless Terry and Cindy McFarland
