Revival Fires Continue To Burn In Nicaragua!

Revival fires continue to spread all over Nicaragua in 2021. We are so thankful for the outpouring of the Holy Ghost this year so far.

Small group / cell group ministry and disciple-making is an integral part of the evangelism program in Nicaragua, and it is bearing much fruit!

Many of our churches hold "Jubilee" services quarterly, where all of the various cell groups come together with all their friends for an exciting time of rejoicing.

In the most recent "Jubilee" at Centro Vida, over 2,000 people showed up in four services! That day, 43 were baptized in Jesus' Name and 64 received the infilling of the Holy Ghost! Thank you, Jesus!

Our GATS students in Nueva Guinea excelled with The Tabernacle Plan!
