

We Are Back Home in **Puerto Rico!**

The last few months have certainly been crazy for all of us. After several months of delays due to medical issues, then quarantine, we finally arrived back in Puerto Rico at the end of June. We are so thankful for all of you who gave to "I Am Global" so that we could finish deputation quickly. Because of your giving, we are back on the island of our calling.

Although we were delayed in returning, God has still been doing great things on the island, and in our lives. Several pastors have reported baptisms and people receiving the

Holy Ghost. What a blessing those reports are! We are also thankful that God allowed us to be involved in online preaching, teaching, and prayer services during our time of quarantine.

One of the greatest blessings during the last few months is our youngest son, Isaiah, receiving the Holy Ghost and being baptized in the precious name of Jesus! God is so good, and we are thankful that we can serve Him here in Puerto Rico!
