

Look What God is Doing in *Puerto Rico!*

3rd Quarter 2020

Missionaries Paul and Stephanie Rivero

God is Moving in **Puerto Rico!**

We are so thankful to be able to work for God in the island of Puerto Rico. In the few months that we have been back, we have faced some challenges, but we have also been blessed to see a move of God.

Our whole family survived several weeks of quarantine because we all had been infected with COVID-19. We are thankful to all be completely recovered.

Bro. Rivero prays with people at an outside service in Dorado.

In the weeks since our recovery, we have preached several services and been a part of special outreach efforts in various cities throughout the island.

We have been attending services in San Juan and preaching in Aguadilla every Sunday. We have also preached and attended special services in Dorado, Levittown, and Bayamon. We have

been teaching in weekly online Bible College classes.

We are thankful that God has allowed us to be a part of the great work He is doing in Puerto Rico! We are especially thankful that you have chosen to be a part of the work that God is doing here. Your support in prayer and finances is what allows us to continue our mission on this island. May God bless you as we all work together for His Kingdom!

Ministry involves the whole family.

We are thankful to have our boys involved in the work of God with us in PR!

We helped to pass out fresh food that was donated to us.
