## Central America – Caribbean -Mexico - South America

David Schwarz – Regional Director

3rd Quarter 2020

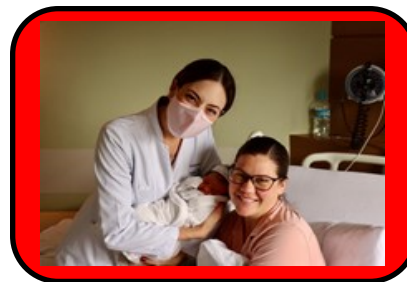

Greetings to all our Wonderful Partners in Missions!

What a year! It seems as if 2020 has been 5 years long. It has changed everything. Yonda and I would normally be traveling in the Regions, but this year we made our last trip the final week of February.

Since that time we have been grounded as there are no flights in or out of our Regions. Where there are flights, the restrictions are so that we cannot fly.

As we say in Spanish, “A Pesar de Todo”, or in spite of everything, there is great revival in the regions. Our pastors & leaders are adapting to the new way of preaching and reaching the lost. God is so Good!

Congratulations to Aaron & Tiffany Anderson in Brazil for our new addition to the SAM Region, Grant Joseph!

Without your faithfulness, we could not do what we do. We are online, Zoom, Go to Meetings, videos sent on WhatsApp, Facebook, YouTube and about any other way to stay in contact with our missionaries, leaders, and churches.

**THANK YOU FOR YOUR CONTINUAL SUPPORT!**
