A Paz do Senhor!

We thank God for an amazing past quarter!

Services have continued at our two church locations in São Paulo - one in the center (Mooca) and the other in the northern zone (Brasilândia). We had a special ladies event for the women in our two congregations, and God moved in a special way. Once again, several visitors from the neighborhood attended!

This past quarter was also very special because we had the opportunity to return to the United States to introduce our son Grant to our families and to dedicate him to the Lord. Aaron was also ordained, and we were privileged to have Bro. Schwarz, our Regional Director, arrive from UPCI headquarters to perform this dedication and ordination in a setting with close family and friends present. God has truly blessed us!

Right before Christmas one of our leaders contracted Covid, and several of our services went online as a result. We thank God that even online, discipleship continued! We continued home visits during this time as well and spent the holidays together as a family. We are looking forward to 2021 with much expectation!
