Spring 2023

REPORT FROM DEPUTATION.

1 MILLION BIBLE STUDIES UPDATE!

Our last term we had the vision to print 100,000 mini Bible studies. Through the sacrifice of the Spanish youth camp in Louisiana, we printed the 100,000 in Peru. The youth in Peru, Panama and Mexico were trained, and now we have hit the 500,000 mark (printed and circulated). Now, our next vision is 1 MILLION Bible studies. We can print them for a total of \$23k. We are about 3/4 of the way: \$2,300 will print 100,000; \$230 will print 10,000. Put the GO in the GOSPEL!

Thank you I AM GLOBAL! Because of the offering that was received at General Conference in Florida (2022), we are now DONE with deputation...seven months early! Praise God!!! Thank you to all who gave!

While we have all of our partners, we are still lacking some project funds for the Bible school in Panama and the above mentioned 1 million Bible studies. You can still be a part of these needs.

BIBLE QUIZ UPDATE: This ministry is just finishing it's second year for the Caribbean, Central and South America, and we have had about 100 teams from four nations. The Americas Cup will be held in Panama, Panama on March 31-April 1, 2023 (This is a new date because of political unrest in Peru.)

THANK YOU to our new partners for Revival and Harvest in the Americas.
