These past few months have been busy months for us in Colombia even though we have been in and out of quarantine. We have visited a few of our services, in person, and have had some virtual services. In February we traveled to Pereira with Bro. Scotty Slaydon, our Global Missions Secretary, for our Annual National Pastors and Pastor's Wives Assembly. Bro. Slaydon taught on family and Sis. Guidry was asked to speak on "Loyalty" to the Pastor's Wives. There were approximately 700 pastors in attendance and 450 pastor's wives. We heard many reports of healings of people "at death's door" with Covid, BUT God stepped in and healed them. We, also, heard in the ladies' meetings 1,200 ladies were baptized in Jesus Name this past year!! Bro. Slaydon was invited to our former Nat. President's Church in Bogota where one person received The Holy Ghost and many others renewed and restored!! Two weeks ago we visited one of our local churches, where we both taught. We were praying with a lady in the altar that was SO close to receiving the Holy Ghost, mask in place, when another sister came up and pulled her mask down and she began speaking in other tongues!! We were excited to be able to attend RELCO this past week for much needed fellowship and preaching! Our son and daughter, also, flew down from TN to spend two days with us, we cherished this family time! Our newly appointed AIMER, Danita Limones, informed us recently that she just lacks a little bit to reach her goal to come to Colombia!!! We are EXCITED! If you would like to help, please contact us. Years ago, there used to be a song titled, "Thank you for giving to The Lord, I am a life that was changed..." That is how we feel about each one of you, Thank you for giving to the Lord, whether it be monthly support or prayer support. We say, "Mil Gracias!"
