The month of July has been a happy and busy month as travel continues to open in Colombia after 7 months of Covid quarantine and then off again and on-again short quarantines. Sadly, Covid is still out of control in Colombia with many saints and pastors ill and several pastors/pastors' wives have gone to be with the Lord.

We were happy to recently travel to Santa Marta, Colombia, where we had a total of 7 services on a Saturday/Sunday weekend. We visited a total of 4 area churches. We had a great time of fellowship and did our best to inspire and encourage pastors and saints who have gone thru so much financial and health hardship these past months. One church in Santa Marta had a unique visitor - an old doggie!

We also had home services with a new family we are reaching out to as well as a visit to the church in the Colonial city of Villa de Leyva, with a good group that was started less than a year ago.

We desire your continued prayers for Colombia as the church goes forward!
