Missions Newsletter For Ethiopia and Rwanda

Dear Partners and Friends

Greetings from the countries of Ethiopia and Rwanda.

It is always a pleasure to **THANK YOU** for your **PRAYERS** and **FINACIAL** support. Together we have been able to accomplish good things for the Kingdom of God. As we share with you this news we also want to invite you to REJOICE with us for all that GOD is doing. The Lord has been good to Martha and me as we have been working in these two countries.

Ethiopia

We finished another TRAINING session in November. We give special THANKS to the Ladies for their support. Training is important in the spreading of the Gospel of Jesus Christ. Through these efforts we are seeing new churches established and growth, as these preachers continue to preach this gospel. ETHIOPIA has more than 80 million people, please help us pray that God will give strength, direction and revival throughout ETHIOPIA.

Rwanda

In Rwanda the church is progressing. Through teaching of Bible Studies we have been able to reach many more people with the gospel of Jesus Christ. Training seminars continue to be an important aspect of establishing the church in Rwanda. November we baptized 6 peachers and 4 members of the church in Kagali. We give the Glory to God for this victory.

PLEASE CONTINUE TO PRAY FOR THESE COUNTRIES AND THAT GOD WILL GIVE THE PREACHERS AND SAINTS STRENGTH TO PROCLAIM THE WORD OF GOD.

THANKS FOR ALL YOU DO. YOUR SUPPORT IS IMPORTANT TO US AND TO ETHIOPIA AND RWANDA

GOD BLESS YOU IS OUR PRAYER
