

# Robert and Jerolyn Kelley

## Your Representatives to Northern Europe

Global Missions 36 Research Park Court Weldon Spring, Mo. 63304

February-March 2022

## Goodbye 2021 . . . Hello 2022!

The end of 2021 found us visiting over 40 churches sharing our burden for Northern Europe as well as visiting family and friends. It was also good to see a good number of Harvest Bible College Alumni who are involved in the work of the Lord. We extend our thanks to all who have been so kind to us and blessed the work of the Lord in Northern Europe.

As we begin 2022, our hearts are full of anticipation for what God is going to do. Already, this has been a blessed year. Great prayer and fasting took place during the month of January. Many prayer sessions were held with people joining in intercessory prayer.

January was a month of first-of-the-year meetings. Bro. Kelley was involved with General Board Meetings and Bible School Meetings. Sis. Kelley conducted district, national and regional prayer committee meetings. We thank God for the wonderful teams we have to work with.

We enjoyed the stunning beauty of the redwood trees in California and the gorgeous Pacific Ocean. Our prayer is that we will see many strong leaders arise in Northern Europe who will be towering spiritual giants, just as these trees are towering naturally.

Pray with us that while it is still day, we will see a great harvest of souls. We know the end is near and the sun will be setting just as it so beautifully does over the ocean. We want to work while it is day to see many souls saved.

**THANK YOU FOR GIVING THAT WE MAY BE INVOLVED IN TRAINING PEOPLE FOR LEADERSHIP. YOUR FAITHFULNESS IN PRAYER AND FINANCE IS PRODUCING WONDERFUL RESULTS FOR GOD'S KINGDOM.**
