

# South Korea-1<sup>st</sup> Qtr 2019

Dear Partners in Missions and my friends,

Greetings from S. Korea! Praise the Lord!

Happy New Year to you all! Have a great 2019 to each of you and your church!

I pray that you all are doing well and enjoying the blessings of the Lord!

We just finished our Youth Winter Retreat. Several youth received the Holy Ghost and they were refreshed and refilled in the Lord. They were dancing in the Lord and rejoicing in the Lord. Some of you would remember that we did not have Youth Winter Retreat, but we have resumed with our new General Board's suggestion. I can see we do have a great future with our Youngsters. Our Young people love Jesus.

I am looking forward to our Spring Semester. May our God supply many new students at this Spring Semester.

I have been busy preaching, teaching, visiting and studying. Our nation's New Year is on February 5<sup>th</sup>. I will be visiting my families in Namhae. I am looking forward to seeing them and having a wonderful time with them in the Lord.

I have visited our Filipino church and preached for them. They will be moving into our Headquarters building in March of this year. With the move, they can have their morning services on Sundays. So far they only have an evening service on Sundays, because, they are using one of our national churches after their services. How grateful we are! I have baptized one sister who was having Bible Studies.

I also visited one of our national churches who is pastored by Brother Seh. They have a new building and they are so blessed by one of his saints, who built the church with his company money. We do appreciate him so very much. May the Lord richly bless his business!

I am so thankful that I have you all as my partners in Missions.. I thank you all for your prayers and your faithful support for the work in S. Korea.

Much Love,  
Sister E. J. Kim
