This Quarter in Francistown, we saw 8 receive the Holy Ghost and 4 baptized, including a Trinitarian elder.

In Superintendent Bro Molefhi's church,

7 were filled with the Holy Ghost and 3 baptized.

In one of our new churches in the village of Gamodubu, 8 were baptized and 3 received the Holy Ghost.

Bro Long and Bro Makandise preached a Big Sunday in Gweru, Zimbabwe, and 15 received the Holy Ghost and 25 want to be baptized.

Our project this quarter:

We were finally able to purchase land for the church and Bible school in Francistown. It cost more than we expected. If 5 churches can give \$1,000.00 apiece, that would help us finish the roofing. We already have the funds for the metal frame.

We are excited about having AIMers Bro and Sis Sheppard with us in Zimbabwe and Bro and Sis Gray, and their three children, in Botswana.

It was a pleasure to have in Africa, my son, Zacchaeus, his wife, Jennifer, and our precious grandchildren, Juliana 6 and Jenevieve 10.
