

Moses Mission

Robert and Sheri Moses, UPCI missionaries to Russia/Estonia

Ready for Deputation

God has blessed us with a 2014 Honda Odyssey mini van to travel in while on deputation. We are so thankful for Liberty Tabernacle, Whiteland, IN who helped us tremendously with this blessing. Please pray for God's protection on us as we travel. Also, for favor with the churches we minister to.

School of Missions

We attended SOM 2021. We were honored to receive our 19-year missionary service award during this time. Pictured with Michael and Diane Tuttle, our regional director.
