FIVE BAPTIZED IN DNIPERPOPSK, UKRAINE IN AUGUST! GOD IS BUILDING HIS CHURCH!

Despite Political Unrest, Churches continue to grow!

Despite a major conflict raging just 3 hours east of Dniperpopsk, Ukraine, the church continues to grow! This August there were five baptisms not far from the war zone. While many people are reluctant to visit this nation, God is still at work and many great things are happening that will never be broadcast in the news! God continues to grow His church!

In July, Pastor Paul Bennett from Eau Claire, Wisconsin, traveled with AlMer Daniel Patterson & myself to Kiev, Ukraine for special youth meetings. The Lord used Pastor Bennett greatly to encourage, lift-up and bless the church there. Through street evangelism and special services, new people have started to attend the church in Kiev. The Kiev Church is on the move!
