

← **BAPTISMS.** Abraham is a pastor who has recently joined the FUPCI. His former church kicked him out because he tried to teach them baptism in Jesus Name. After he was removed, he immediately started preaching truth, and 40 were baptized in one weekend.

↶ **AIM FAMILY ARRIVES!** Rev. & Mrs. J. C. Magallanes and family arrived on March 1, 2020 in Lagos, Nigeria for their six month AIM. We are excited to have them here with us. Unfortunately, a couple weeks after arrival we were all locked down, but that didn't stop them! They have started a Bible study, preaching point in the apartment compound where they live. All Glory to God!

SCHOOL DAYS!

Not all fun and games, but we make sure we add some fun to the mixture of intense Bible learning. Students enjoy a memory match game. →

Students learn the necessity of building an altar. Like in the day of Abraham, an altar can be built anywhere to worship the omnipresent God. →

→ **CONSTRUCTION!** Building a wall is essential to protect the land for this church from squatters. A church building needs to be moved onto this land, if you want to help financially for this church building to be partially relocated or help with construction costs, please contact us.
