Psalm 86:10 (KJV)

2nd Quarter 2018

¹⁰ For thou art great, and doest wondrous things: thou art God alone.

God is continuing to do wonderful and miraculous things in Puerto Rico, and we are thankful that you are a part of everything that He is doing.

This year we have been asked to re-launch the Evangelism Department in Puerto Rico. As part of this, we have planned strategic Crusades to reach the lost in each of the four sections in Puerto Rico. They are called Noches de Fuego, or in English, Nights of Fire.

Every crusade is preceded by training seminars that are designed to provide tools to reach into the harvest in Puerto Rico. God has used all of the teachers in a powerful way and we are seeing very positive results from these seminars.

Along with the crusades and seminars, we are also doing outreach activities to promote evangelism, start preaching points, and hopefully, see churches planted.

An added blessing of being able to work in the harvest is that we are seeing God's miraculous hand and intervention at every turn.

In one of the Evangelism efforts in Naranjito, a man was present that had been seeking the Holy Ghost for many years. He received the precious gift that night. However, that was not all. For many years he had been lame, and would walk with a limp. That night, God miraculously healed him.

Another wonderful testimony of God's miraculous power comes from one of our ministers who was able to baptize his eighty-nine year old mother in the wonderful name of Jesus after years of witnessing and testifying to her. Truly, there is nothing impossible with God.

God is doing amazing things through his people in Puerto Rico and we are thankful to be a part of those things. Thank you for partnering with us and being a part of everything that God is doing in this hour.

This wonderful brother not only received the Holy Ghost, but he also received a miraculous healing.
