

Rodrigues Family Report UPC Portugal

Our second term in the nation of Portugal began full of promise and growth! This year Igreja Pentecostal Unida of Portugal held their first national Ladies and Men's Conferences. During these conferences we were blessed with the ministry of Pastor & Sis. Jones of Cameron, MO and Bro. & Sis. Short of Peoria Arizona. Many lives were touched deeply and changed. The men and women are excited and already preparing for next years conferences.

This year we welcomed Bro. Franklin Howard and Bro. & Sis. Troy Taylor to Team Portugal! We are excited to see the Lord using them to help teach, train and reach souls through their ministries. Bro. Howard and the Taylors are stateside raising funds while preparing to return to Portugal. Please keep them in prayer asking the Lord to help them raise their funds quickly.

Friends, 2018 is swiftly coming to a close but 2019 holds even more growth, renewal, promise and excitement for the nation of Portugal! From the bottom of our heart we thank you for sharing this lifelong journey with us. Together we are making a difference in this nation!

Sincerely, The Oscar Rodrigues Family ~ The Republic of Portugal
