

RUSHINGS IN KOREA

3RD QUARTER

2018

We are excited to share with you that this year has been one of growth and progress! Not only have we made great progress with our language studies but we have been able to develop relationships with the national pastors.

And our family has grown!

FIRST ATTEMPT TO PREACH IN KOREAN!

If a missionary truly desires to effectively reach the lost in the country of their calling, it is imperative they learn the language of that country. Monica and I have diligently given ourselves to study of the Korean language and we are finally seeing the fruits of our labors. Not only are we starting to enjoy meaningful conversations with native speakers but I also had the opportunity to preach my first message in Korean! No, it did not go as well as I hoped. Pastor Lee had to step in and rescue me but much was learned in the process that I can use for future Korean sermons.

MINISTER'S MEETING

In April the annual Minister's Meeting seminar was held. There was a very good turnout and it was nice to be able to spend time with the Korean pastors and connect with them on a personal level. The annual UPCK camp meeting was held July 30th-Aug 2nd. During camp meeting we were able to introduce Estella Grace Rushing to the Korean UPC!

ESTELLA GRACE RUSHING

May 16th, 2018, Monica and I were blessed with the birth of our daughter, Estella Grace Rushing. We are thankful for a healthy and happy baby and delivery. Mother and baby are doing well!

REMEMBER KOREA
IN YOUR PRAYERS!

We are thankful to God for what He is doing in Korea and allowing us to be used in His Kingdom. We ask each of you to pray for the nation of Korea. We also are grateful for your prayers over our family and the support you give which allows us to do the work of the Lord in the country to which we are called. God bless you!
