Ministers Retreat 2018

In April over 100 ministers and wives gathered in Cordoba for the first ministers retreat. We were blessed to have Bro Gary Sones, Fresno, California as our guest speaker. Topics such as Church Growth, Avoiding Burnout, and many other topics were a great blessing to all who attended. One of the highlights was when the pastors shared the Lord’s Supper. There was a tremendous presence of the Lord that covered the retreat. Many of those attending had to brave some severe weather, detouring many kilometers to be able to arrive at the retreat due to roads being block and closed off. But they made it and enjoyed every minute of the retreat! Prayer, fellowship, teaching, even a birthday cake! It was a wonderful time. Thank you, Bro Sones, for sharing your time with us!

Deputation 2019

Wow! Where have 4 years gone? This coming January we will be starting our 5th deputation. There are some really exciting things to show you and to share as to what the Lord has done in the country of Argentina. There have been so many miracles, so much growth and so many exciting experiences that we’d love to bring to you. We hope to see you this coming year! Our schedule starts in the following districts: Western, Southern California, Arizona, Texico and Texas.

In the meantime would you prayerfully consider shortening our travel time by an increase in your PIM? It would be a great blessing! God bless you all and we hope to see you next year!
