Focusing on Training

Training is at the heart of our missionary focus. Since God's Word is a source of strength, we seek to empower others through the study of the Bible. "Study to show thyself approved unto God."

- ABI, the first UPCI Bible school in Slovakia, was opened for classes January 13, 2018, in Michalovce.
- Balkan Bible Institute, located in Backi Petrovec, Serbia, is now in its 11th year and continues to train students, such as the young ladies above. [top right]
- Students at Zion Bible Institute, located in Padina, Serbia, respond to the humor and wisdom of guest teacher Pastor Mervyn Miller. [lower right]
- Some members of the children's choir in Glozan, Serbia, stand soldier-straight as they sing about Jonah. "Train up a child in the way he should go..."
