Planting Seeds!

Now is the time to march forward together and spread the Gospel Seed, through training and church planting. We praise God for the opportunity to share the Word with students at three Bible Schools (2 in Serbia; 1 in Slovakia). We also rejoice at the growth of the church plant in Michalovce, Slovakia. Thank you for partnering with us!

- Class enrollment has grown at the Balkan Bible Institute in Backi Petrovec, Serbia. [upper left]
- Students intently absorb the Word at the Bible Institute of Sion/Zion in Padina, Serbia. [upper right]
- Sincere worship and love for the Word bring revival and new life in Michalovce, Slovakia.
- Children plant seeds of praise through their ministry in song at the church in Glozan, Serbia, pastored by Brother Tomas Balca.
