

FIJI & THE SOLOMON ISLANDS

SUMMER 2021

We'll do whatever mode of travel may be required to get the gospel to the far reaches of the world--boat, truck, or walking. Solomon Islands missions teams traveled to the island of Malaita, bringing the gospel to these people hungry for God. Several were filled with the Holy Ghost and baptized in Jesus' name, making every mile worth it!!

Meanwhile in Fiji - Covid 19 has shown up in our nation after a year of absence, and we have been in strict lockdown for the past couple months. Even with the lockdowns, we have seen God move in a powerful way. One pastor sent us a note that they had invited some ladies over for the Mother's Day message online, and their house was so full there wasn't room to sit. After closing the online service in prayer, he said the ladies continued on weeping and praying in tongues for at least 40 minutes. There have been several who have been baptized throughout this time as well. One lady (middle right) had been bedridden for three months, but after being baptized in Jesus' name, she can now walk and with absolutely no pain!!! To God be all the Glory!!

Whatever the "Mode of Travel" or "Mode of Evangelism" God can use it to see His Kingdom go forth!!!
