Biography

Daniel Rushing was an assistant to the pastor in Meadville, Mississippi, for two years. During that time, he traveled to the Republic of South Korea with his pastor and presbyter for a preaching crusade. He and his pastor returned to South Korea later the same year to participate in a second crusade.

The following year, he again returned for a three month AIM assignment. He then was involved in the pilot year of the Next Steps program.

The following year, he helped build a church for the local congregation in Rio Bravo, Mexico. Upon returning from Mexico, Daniel moved to the Texico District where he was the assistant pastor to his future father-in-law.

He and his wife started and experienced great success with campus ministry at the local university. Returning to Mississippi, his father, who is a pastor, suffered a stroke. Daniel and Monica served as the interim pastor while his father recovered to a point where he could reassume the pastorate.
