### **Biography**

Stephan and Debra Summers received full intermediate missionary appointment to Cyprus in March 2011 and are the only UPCI missionaries under appointment to that country.

They have quite a bit of previous missionary experience through the AIM program. While in Greece (2002-03), they taught home Bible studies and doctrine classes, worked in the Christian school as well as in administration and helped with building remodeling and maintenance. During their Cyprus AIM assignment (2008-10), they taught Bible studies, established a church in the city of Larnaca as well as two preaching points on the island, and were involved in the translation of church materials into Arabic and Greek.

Their plans while living in Cyprus are to study both Greek and Arabic languages, initiate Bible school programs for both international and national students in Cyprus, plant churches and work within the existing structure to promote leadership development for local ministry.
