A Paz do Senhor!

Much has happened since our last newsletter, and we give God all the glory!

Our church has held Bible school classes almost every Saturday for two years, and our first graduating class received their diplomas and celebrated this great accomplishment! Seven graduated from our location, and another five from Campinas, about a two hour drive from us.

Serving as Area Coordinators (ACs) in our region we also had the honor and privilege to make a trip to Headquarters in St. Louis, MO, for special training and encouragement. We learned so much more about what this responsibility means, and we left refreshed after spending time in prayer and fellowship with other fellow missionaries and ACs as well as our leadership!

GATS training continued in Peru, Argentina, and Bolivia where we were able to help organize and participate in Faculty Development Seminars. We thank God for the wonderful classes, providing structure and inspiration to these many Bible school teachers in our region!

Locally we had three wonderful district events, and back in our home church four received the gift of the Holy Ghost for the very first time as visiting regional missionaries to Cape Verde, Sileno and Nadia de Souza, were in services with us! Four more were baptized in Jesus/ name! We also have had many wonderful events for our youth, women, and young marrieds!

We are thankful for your support and prayers! God bless!
