REACH SOUTH AFRICA

Greetings in the wonderful Name of Jesus!

In early October, we had the honor of ministering in multiple churches in the Gauteng district. The Lord moved mightily in every service, and many were blessed by the power of God.

In late October, we traveled to the north central part of the East Cape. We had the opportunity to preach and teach at a new work. Jesus showed Himself to be real to everyone. There were healings and the Lord did many great works and opened doors for more outreach.

While in the East Cape, we were involved in a serious auto accident. Sis. Austin sustained several broken ribs but is doing much better now. We thank the Lord for His mercy and protection.

We are thankful for everyone's prayers on our behalf.

In December, we participated in the national conference in the city of Durban with more than 1600 in attendance. God's presence was felt in every service, and many were blessed and souls were filled with the Holy Ghost.

During the conference, we celebrated the graduation of more than 120 students with Certificate, Diploma, and Associate level GATS degrees from the South Africa Bible Institute.

Thanks for all your prayers and support. We are so happy to be a part of what the Lord is doing in South Africa and are excited about what God has in store in the coming year!
