# REACH SOUTH AFRICA

Greetings in the Name of the Lord from beautiful South Africa! Near the beginning of the year, we traveled to the city of Tzaneen in the north east part of the country for a time of ministry and teaching for the church there. God moved in a great way and many were blessed!

In early February, we were delighted to visit the church in Vanderbijlpark, where we previously served as pastors. It was a great blessing to see how the church continues to grow and thrive. During the service, we also had the joy of taking part in the dedication of three precious babies.

On the final weekend of February, we traveled to the Limpopo District to conduct a leadership training seminar, with over 150 ministers and their wives in attendance. During the conference, a minister from another organization was baptized in the Name of Jesus, along with four additional visitors.

In March, we were blessed to take part in the first-ever PK retreat in South Africa. Bro. and Sis. Perry, missionaries to Botswana, served as the main speakers. It was encouraging to see the PKs enjoying fellowship while being spiritually refreshed. Following the final service on Sunday, many responded by praying, surrendering, and committing their lives to God. There is already great anticipation for the next retreat.

Thanks for all your continued prayers and support. We are so excited about what God is doing in South Africa and very happy to be a part of it!
