GLOBAL MISSIONS SERVICE

After traveling to more than 50 nations and serving in various ministry roles, the Barsotti family made their home in Vietnam, Cambodia, and Laos. Over the past decade, God has opened remarkable doors in these communist nations. The Barsottis have had the privilege of establishing the United Pentecostal Church in both Vietnam and Cambodia and currently serve as Superintendent in these nations. The central emphasis of the Barsottis' ministry has been evangelism and discipleship—seeing thousands baptized in the Name of Jesus Christ and filled with the Holy Ghost. Building upon this foundation, they have started many Bible schools across the nations, licensing ministers, and multiplying churches. Whether preaching, teaching, praying, or equipping leaders, their burden is to strengthen the church and partner with pastors to reach their communities with the Apostolic message.
