MISSIONARIES
BRANDON & MOLLIE BORDERS

Greetings to all our friends and partners. This small space is not adequate for us to tell you all that God is doing in New Zealand. Locally in Tauranga we have seen several first time visitors come, as well as new Bible studies begin. The church is working towards leasing its first property, which would allow them to move out of the community center. Nationally, we welcomed the largest class in the history of the Bible School. 60 students will be studying this year!

We were blessed with the ministry of Rev. Josh Resar (above) who spoke to the national ministers, as well as at the church in Tauranga. We rejoice to report that three received the Holy Ghost! It hardly seems possible, yet our second term is quickly coming to an end and we will be returning to the States for deputation soon. This will officially begin in January of 2027. We hope to connect with as many of you as possible as we travel.
