

*Brandon and Mollie*  
**BORDERS**  
*New Zealand*

## **GLOBAL MISSIONS SERVICE**

The Borders were appointed to the nation of New Zealand in 2015. Since their arrival, they have pastored an established work in Hamilton and planted a preaching point in Tauranga. They turned the work in Hamilton over to a national pastor to focus on the young church plant, which eventually became an autonomous work. In addition to these efforts, Brandon serves as the principal for the national Bible school. In the last school year, they had 52 students enrolled and 23 graduated. Mollie is involved in music ministry and ladies' ministry. Upon their return to New Zealand, they intend to continue to work with the church in Tauranga and to expand the Bible school.
