Teacher Training

We are thankful to have been a part of the Central Europe GATS Teacher Training Seminar in Budapest, Hungary.

Bible School

A new semester of Bible School has begun! Thank you to all who support Bible Schools globally. We have new students who we are equipping to enter into ministry.

Sunday School

Our Bible School graduates have begun a Children's Ministry in Prague. The Sunday School kids put on a Christmas program last year!

We are always recruiting AIMers. If you are interested, please speak to your pastor.

Church Plant

We are so thankful for two filled with the Holy Ghost in our Prague church plant in January. God is moving!
