

Allan and Carla CALHOUN The Netherlands

GLOBAL MISSIONS SERVICE

Allan and Carla Calhoun began their missions journey in 2013 as Associates In Missions furlough pastors in Ireland. God confirmed their call to the Netherlands two years later, and they were appointed in September 2015. The Calhouns have made a significant impact in their missionary work, both in the Netherlands and beyond. Their focus on church planting, mentoring preachers, and developing young leaders has resulted in new church plants, many new leaders, soul-winners, and disciples. Expanding the Bible college into three campuses demonstrates their commitment to nurturing leadership and providing solid biblical education. Baptizing a former evangelical pastor who is now licensed with the UPC of The Netherlands is just one powerful testament to their influence which has led to opening a new province in the nation for the kingdom of God. Carla is the National Ladies Ministry Leader and has preached at various ladies' events in a handful of countries. She is also an anointed and gifted worship leader and pianist. The Calhoun's passion is to see a total transformation in the lives of individuals. Their ministry brings deliverance from trauma, brokenness, and addictions.
