

JAPAN UPDATE

Kingdom Advancement

Because of your faithful prayer and support, the mission to reach Japan is possible! - Thank you!

Kitanaka Church

House Church

Recently, we discovered that the Kitanaka church needs significant repairs estimated at \$25,000. These are not cosmetic or optional upgrades – they are essential repairs that affect the daily functioning of the building and our ability to safely have services. We humbly ask you to prayerfully consider standing with us in this need – not simply to repair a building, but to preserve a place where the Gospel is preached, lives are changed, and the next generation is being trained and discipled. Any support you can give to our Churches Project will be deeply appreciated.

Project number: GMGP.165130.2107

2 Received the Holy Ghost!

Fukuoka Congregation

Pray that God:

- Leads us to the hungry – those whose hearts are ready to receive truth.
- Help us Disciple and equip the saints – raising workers for the Kingdom.
- Empower the Japanese to walk in courage and confidence in God working with them.
- Give the Japanese boldness and passion in witnessing to others.
