

Armenia & Georgia

DETEMPLE FAMILY

- We have had a wonderful few months.
- Blessed to travel for regional meeting - wonderful time of fellowship and refreshing for our family. Had
 - 80 in attendance for Easter Service, with more than 18 nations represented!
 - At the end of April our pastor came from the USA and spoke at our Spring Conference. It was a great time of growth and renewal.
 - We have traveled to Armenia several times, God is opening doors for work there, please keep Armenia in prayer.
 - We have had an AIM family arrive in Georgia, they have already been a blessing to the work and our family.
 - The school year ended for our kids and they are loving summer, but we all continue in our language classes.

We have a Sunday School Room! Our kids have been loving the addition to the church facility. However, We need your help, there are exposed gas lines, we need approximaately \$2000 to get this fixed and make it completely safe for our kids. If you can give please contact us or use our Missions account 217860-2701 to give. God Bless You!
