Summer 2025

REPORT FROM THE FIELD.

Ecuador report: Missionary Dominguez traveled into four districts including in the Andes (Cuenca) with Dist. Director Samuel Mendoza and National President Rony Freire. They taught many pastors on ministry and doctrine. During the general services in the evening, many received immediate miracles. They would hasten to the front to testify of specific miracles. Jesus is alive!

Colombia Report: Brother Dominguez traveled extensively in the Cali region of Columbia with Regional supervisor Jairo Gomez for many ministerial seminars where the doctrine and ministry themes were taught by Bro. Dominguez. In corporal services in the evenings there were many healed including paralytics and many filled with the Holy Ghost. Pray for apostolic revival in Columbia!

Panama, Panama: We had an awesome revival in the New District near the airport on Pentecost Sunday. God used Pastor Jeremy Favors from Belgium, Wisconsin, Pastor Robert Burnett, and Missionary E. Dominguez. About 40 were filled with the heavenly gift. God continues to pour out His Spirit as we continue to preach the whole Gospel to the whole world. Acts 2:4, 17, and 38-39 reveals the essentiality of the Holy Ghost for salvation with the evidence of speaking in other tongues (Jn. 3:5-8).

YOUTH ON FIRE IN LATIN AMERICA 2025

The New year for Bible Sword Ministry (Bible Quizzing) begins in August. Last year we had more than 7,000 participants in 8 nations of the Americas. More nations are coming on board. There is a Holy Ghost Pentecostal Revolution happening in Latin America among the children and youth in three age levels: Children 0-11; adolescents 12-18, and Youth 19-35. We need your assistance for the printing of the book below. For donations to this ministry send to above address and account number: UPCI 17222.2301

THANK YOU to our partners. We express our deep gratitude for your support on behalf of the many brethren in Latin America. May God bless your sacrifice for the mission of Acts 2:38 salvation to South America, Central America, and the Caribbean. Please pray for the nations of where we will be ministering in Panama and Peru in the following weeks and for the launch of the Bible Sword ministry. Missionary Eugene Dominguez has three new books that are now available from Amazon.
