REGIONAL EVANGELIST
CAC/SAM

GLOBAL MISSIONS SERVICE

After founding the Church of Miracles in the inner-city of San Diego, Eugene and Sherri Dominguez received their call to the mission field and were appointed to Peru in 2012. In 2017, their appointment was expanded to both the Caribbean and Central America and South America regions as Regional Evangelists. During their last term, they trained tens of thousands in personal evangelism and other themes, taught in nine Bible schools, printed and circulated over 1,000,000 Bible studies, conducted revivals, crusades and teaching seminars across Mexico and parts of Central and South America, and began the construction of the largest church and Bible school complex in Central America as well as other construction projects in Peru and Panama. Additionally, they launched the Bible Sword (Bible Quizzing) ministry in eight nations, with more than 7,000 participants. Upon their return to the field, they plan to establish national evangelist training retreats, expand the Bible Sword ministry to more nations, continue teaching and preaching crusades, seminars and in Bible schools, print and distribute another 1,000,000 Bible studies, and finish the construction of the church and Bible school complex in Santiago, Panama. In the Name of Jesus! Maranatha!
