
SPAIN & ANDORRA

Driggers Family

| Spring 2026

Andorra News

In January, we welcomed AIMers, the Armstrong family, to the team in Andorra. We are so blessed to have this family living close to the border of Spain and Andorra, allowing for them to travel easily to Andorra and pastor the work there.

Believing for Growth

We are excited to report growth with the work in Andorra!

- There are now bi-monthly services in Andorra La Vella
- Continued weekly online Bible Study
- There has been a depth and renewing of the Spirit in the recent services
- There have been several first time visitors since the beginning of the year, with a few already returning
- Several contacts have been passed to us from other church members and we are believing for a continued growth of hungry souls

Andorra Prayer Points

- For the AIM family, specifically provision and guidance as they pour into the work in Andorra
- For provision to support more frequent meetings in Andorra
- For “key-contacts” to be made in Andorra
- For God to provide a “translation” solution for our increasing number of services and online meetings

While we are excited for the fruit we have seen so far this year, including a depth and growth in worship and response to the Word. We are believing for a harvest of souls in Andorra and we know there is more to come! Thank you for your prayers and continued giving. It is making a difference!

Spring 2026

Spain

Training & Education

The Bible Schools in Spain continue to gain momentum and spread their reach throughout the nation.

In December the extension in Burgos, Spain graduated their very first promotion of 14 students from the 1 year GATS certificate program.

In January the extension in the Canary Islands graduated their very first promotion from the 1 year GATS certificate program.

In the south of Spain in District 3, we graduated our very first promotion of 23 students from the 2 year GATS diploma level program.

In the spring trimester, Jeanna and Jared both taught two 2-week intensives at the institute in Barcelona. Jared taught "Intro to the Bible" and Jeanna taught "Music!"

With the help of the Lord we will see at least two new extensions added this year!

The work in Barcelona continues to move forward...

The work in Barcelona continues to move forward. When we are not teaching or traveling for the Bible Schools, we continue to support the local work and ministry in Los Pentecostales de Barcelona.

This past month Los Pentecostales de Barcelona had a friends day where life groups met in different zones around the city to connect 62 friends (first-time guests) in the community to the church. Jared delivered the gospel message at one of those meetings where 3 were baptized in the Name of Jesus, and 1 was filled with the Holy Ghost!

The new church renovation is still underway, although there have been occasional meetings there.
