

Riley and Hallie GARCIA France

GLOBAL MISSIONS SERVICE

Riley and Hallie Garcia, married in 2020, both grew up at Calvary Pentecostal Church in Euless, TX, and have been active in ministry since their teens. Hallie earned a Bachelor's in Missiology from Texas Bible College and has served on multiple missions trips since 2015, while Riley built a career as a stockbroker. Once married, they started their missionary journey together on a trip to Spain and Andorra. The Garcias then spent two years helping to establish and grow a church in Luxembourg. With capable leadership now continuing that work, the Garcias are turning their focus to the nation of France and its 68 million people (with approximately 26 churches) that need to hear this good news. Their passion is to plant churches, train leaders, and help ignite revival across Europe for the glory of God. Now, along with their son, Henry, they are raising funds and eagerly awaiting their return to the field.
