**Greetings to all of our treasured Partners! We appreciate each of you! We wanted to give an update and share some exciting news.**

**We had almost finished our deputation schedule when God stepped in and redirected our steps. We went through the process with our leadership in Global Missions and have been approved a change of fields from Zambia to Benin in West Africa.**

**Benin is a revival country with 1 established Bible school, another being built, & 4 teaching points throughout the country. Upon arrival, we will be doing our best to quickly become fluent in French. This will enable us to work in the Bible schools and help with evangelism efforts. We look forward to working under the supervision of Mike & Danan Benson, the national leadership, and the missionary team in Benin!**

**Pictured is the Bible school students & staff. Thank you for all of your support! We pray God blesses you as we all work to further His kingdom!**
