4th Quarter 2025

Greetings from Awesome Colombia!

These past two months we have been teaching a School of Missions Class every Tuesday Morning, per Zoom, to a group of 15 pastors and their wives who feel a calling to take the gospel to other countries. We have shared what we have gone through, and we have invited other missionaries from Chile, Bolivia, Africa, Spain, El Salvador, and our daughter to share from their heart's missionary experiences. Several times tears have flowed as God has moved.

Sis. Guidry was invited to speak at Colombia's National Ladies' and Senioritas Conference this past weekend and what a time they had! There were around 2,000 people present and 26 people received The Gift of The Holy Ghost for the first time!

This week we attended our Regions' Annual Pastors and Wives Conference, in Bogota and were a little excited to find out we now have over 90 pastors and wives whereas when we came here there were only 35! We give God the Glory for this growth!

Each month we help with a fund through the national treasury of Colombia, which takes care of medical or emergency needs for pastors, if you would like to contribute, you may text the name Guidry to the number 71777, Evangelism Project!
