Revival Continues in Cuba

A door has opened in a new city, a place to worship has been provided, and they are doing community outreach. Leaders and training are needed in this area. Please say a prayer for the pastor in this picture. May God bless the pastor and his family as they tend to several works in a growing area. Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest. Matthew 9:38

Purpose Institute - Ministry Training

The Lord has provided for Cuba in six different areas where Cuban instructors are preparing leaders to minister each month. Currently, there are 54 students studying to serve in the kingdom of God.

They study in the dark when there is no power. They study even when there is no real building. Because there is a lack of reading material, some gather together as a class and read required reading material together. God is doing a work!

Deputation

God has also blessed us with many faithful and new Partners in Missions. By the time this newsletter goes out, we will have finished our deputation travels. Thank you to all who give as partners and to I Am Global. May God bless each and every one of you.

The photo is from the Global Missions page as we thanked the Lord for the blessing of the I Am Global offering.

Cuba has experienced a Cat 3 Hurricane Melissa. There is great need on the Eastern side of the island. **PLEASE PRAY FOR THE CUBAN PEOPLE.** They are also dealing with an epidemic of serious mosquito-borne illnesses and viruses.. Your support can be sent through Compassion Services <https://www.compassionservices.org/donateInternational> - Please mention Cuba. Thank you for your sacrificial giving. .
