Biography

Mark and Bethany Harris were raised, met, and married in the Arkansas District and have ministered side by side for 38 years. They are blessed with two children who are actively serving in ministry in Wisconsin and three precious grandchildren. They began evangelizing in 1988, when Bro. Harris became widely known as "Happy the Gospel Clown," using creative children's ministry to share the message of Jesus. From 1999 to 2014, they pastored in Shawano, Wisconsin, while continuing to travel and minister internationally. In 2014, they transitioned into full-time missions work, serving in Bangladesh, India, and Japan.

In 2025, they relocated to Cambodia, where they now serve throughout Southeast Asia. Throughout their ministry, they have been privileged to see thousands receive the Holy Ghost and be baptized in Jesus' name, and many experience miracles. Their work includes children's ministry, outreach, Bible studies, evangelistic preaching, leadership training, and collaborative Kingdom partnerships. They are committed to working alongside fellow missionaries and national leaders to see Pentecost Every Day across Cambodia and Southeast Asia.
